

ISABE2019

24th ISABE Conference

22-27 September 2019, Canberra, AUSTRALIA

CALL FOR PAPERS

Papers are invited in all aspects of air breathing engines for flight propulsion in all regimes of speed. Papers on aero-derivative engines for power production are also welcome, as well as on components that are ancillary to engines and new propulsion paradigms in terms of emerging technology and markets. The greatest emphasis is on creation and utilisation of the best technology for sustainable progress.

Please note that different deadlines apply depending on which process you are submitting to. When preparing an abstract or paper please follow the guidelines provided in the "Instructions for Authors" at www.isabe.org

When you submit your extended abstract you will be asked to indicate which review track you prefer.

Review Track: Review of abstract & full paper.

Non-Review Track: Review of abstract only.

The *Royal Aeronautical Society* will publish a special issue of its *Aeronautical Journal* during the ISABE 2019 conference as it did for ISABE 2017. NOTE this will require submission of the full paper by **16 August 2018** for review and consideration for inclusion.
