The **Asian Congress on Gas Turbines 2022 (ACGT2022)** will be held in Gangneung, Korea, on August 24-26, 2022. ACGT 2022 is intended to provide an international forum for researchers, engineers, users, and students from not only Asia but also from outside Asia to present their latest research findings, ideas, and applications in the area of gas turbines.

Topics for ACGT2022

include but are not limited to :

- Aerodynamics
- Combustion, Fuel and Emissions
- Control, Diagnostics and Instrumentations
- Heat Transfer and Thermodynamics
- Innovative Clean/Renewable Energy
- Structure and Dynamics
- Materials and Metallurgy
- Applications and Maintenance

Paper Preparation

All presenters are requested to submit a 1-2 page extended abstract (TEMPLATE will be available on the congress website) and a presentation slide (sharable version). Only authors who will consider publishing in journals recommended by the organizing committee need to submit a full paper. Detailed submission guidelines for the abstract and full paper will be provided on the congress website (www.acgt2022.org).
